administrative staff and our beloved students of INSANIAH University College.

Alhamdulillah, all praise to the Almighty Allah, we are able to be part of this great event, known as **“Al-Quds Day at INSANIAH University College.”**

Muslimin and muslimah, brothers and sister in Islam.

I believe that most of us here today, are aware of what has been happening in Gaza, Palestine. Our fellow brothers and sisters are struggling for survival, every single moment. It has been such a long time, a suffering journey that no one really understands, the real pain inside of every Palestinians.

Life is not as easy as it is, like here in Malaysia. Smiles don't really show happiness in their faces. Thousands of innocent man, women and children has been killed over the years. Those who even make it through would be terrifying and traumatized. Some of them suffered permanent disability, with the lost of their body parts. It is sad to witness these moments! It is sad to hear them crying out loud, in the television news.

Ladies and gentlemen.

What are our responsibilities as a Muslim? Do we just sit tight and do nothing? Are we still laughing with jokes? This is the moment of truth! We should all gather and be united as Muslim to fight for our fellow brothers and sisters in Palestine. We may not be able to be part of the Palestine Mujahideen, but we still could contribute to them in other ways.

As for your information, Malaysia has always been a strong nation supporting Palestine over the years. Our government strongly condemning the Israel attacks on Gaza. We have been sending out humanitarian aid, foods and clothing to Palestine, even though we need to fight hard to deliver. We never stop praying for Gaza!

Insyah Allah, I believe that our distinguish guest from Al-Quds Foundation Malaysia will have more things to share with us today. We will be able to gain more knowledge about the worldview of Palestine. On behalf of INSANIAH University College, I would like to express our highest appreciation to Al-Quds Foundation Malaysia for this great event and we look forward to collaborate more in the future. ***“Let us pray for Gaza, pray for Palestine, and pray for our fellow Muslim in Syria, Rohingya and other parts of the world! May Allah SWT ease them and grant them with all the strength that they need”.***
